Summary

I am a dedicated Computer Science Engineering graduate with a passion for software development and machine learning. I have experience building practical projects, including web applications and virtual experience with JPMorgan Chase. My strong academic background is reflected in my CGPA of 8.83. I am eager to apply my skills in programming and web development to real-world challenges

Education

SRM Institute of Science and Technology, KTR

08/2024 - 07/2028

B.Tech in Computer Science Engineering

Virtual Experience

JPMorgan Chase & Co.

JPMorgan Chase & Co. Software Engineering Virtual Experience – Forage Midas

2025

Software Engineering Virtual Job Simulation Experience

- Completed practical tasks simulating real-world software engineering workflows
- Implemented solutions related to financial technology systems
- Certificate link :- [jpmc-forage-midas](#)

Projects

Portfolio Website

2025

A personal portfolio website

- Developed and deployed a personal portfolio website to showcase projects and skills
- Designed responsive web pages using HTML and CSS
- Portfolio link :- <https://yashrnn13.github.io/>

Smart Study Planner

2026

A web-based application for planning and scheduling study tasks

- Built a web-based study planner to organize tasks and schedules
- Implemented task planning and simple scheduling features
- Github link :- <https://github.com/YASHRNN13/Smart-Study-Planner>

Forage Midas – J.P. Morgan & Chase Co.

2025-2026

Virtual Simulation

- Completed Virtual Program simulating real world fintech software engineering tools
- Gained Experience in financial data analysis and software development workflows.

Skills

GitHub · Python · Java · C/C++ · HTML · CSS · JavaScript · Git · TensorFlow · Responsive Web · OOP · Object-Oriented Design

Key Achievements

High Academic Achievement

Maintained a high CGPA while developing multiple software and machine learning projects, alongside completing a recognized virtual experience program

Training / Courses

NPTEL Certification

Anthropic AI Fluency Certification

AI for Techies Certification
